

Dehumidifier

50 and 70 Pint

Built-in Pump • Quick-Connect, No-Leak Gravity Hose Attachment
2 Fan Speeds • Bucket Full Indicator • Programmable Timer
Comfort Mode

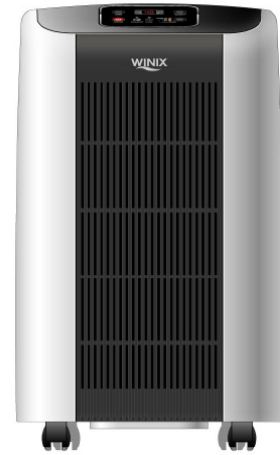

Winix 50 and 70 Pint Dehumidifier With Built-in Pump

Model: WDH751/WDH771

Remove moisture effectively and efficiently with Winix dehumidifiers featuring three water removal options, comfort mode setting, 2 fan speeds, timer setting, and bucket full indicator in a sleek modern design. Available in 50 and 70 pint models.

Water can be removed from the bucket using the built-in pump, the quick connect no-leak gravity hose attachment, or manually removing and emptying the bucket.

Model WDH751/WDH771

Features & Benefits

Built-in Pump

Built-in pump automatically removes water when the bucket gets full. There is no need to check the dehumidifier – a true “set and forget operation!” Pump water up and into a sink, out a window, or even directly to your house plant.

Quick-Connect, No-Leak Gravity Hose Attachment

Allows a quick and easy connection with no leaks, while you drain water away from the unit into a floor drain.

Comfort Mode

Comfort mode adjusts the fan speed automatically to optimize humidity reduction and energy efficiency.

2 Fan Speeds

Bucket Full Indicator

Energy Star Qualified/AHAM Certified

Programmable Timer
